

2025 3rd International Forum on Clean Energy Engineering

April 25-27, 2025 | Jeju Island, South Korea

1 Introduction

2025 3rd International Forum on Clean Energy Engineering will be held in Jeju Island, South Korea during April 25-27, 2025. The present forum aims to promote an exchange of recent and advanced information among scientists and engineers in the wide field of energy engineering with special focus on clean energy. The forum is also aimed particularly at promoting communication and collaboration between fundamental researchers and those engaged in the development of practical technology in respective areas of clean energy.

2 Publication

Submissions will be reviewed by the conference committees, and accepted papers will be published in the International Conference Proceedings, which will be sent to **Scopus, CPCI (Web of Science)**, CAS, DOAJ, EBSCO, ProQuest and other major databases for indexing.
